Allowance admissible to Indian Civil Service probationers who travel overland from Marseilles to London.

I am directed to refer to the Home Department letter No.F 584-Ests., dated the 14th August, 1922, regarding passages for candidates selected in India for Imperial Services who proceed to the United Kingdom for probation.

2. The High Commissioner for India has pointed out that the majority of Indian Civil Service probationers selected in India, whose passages are booked right up to London, disembark at Marseilles and travel overland to London, and has raised the question of the amount which should be granted to such probationers on account of their overland journey. The Government of India have decided that the amount which should be refunded to probationers travelling overland from Marseilles to London should be the amount refunded to Government by the Shipping Company concerned minus rebate on the unused portion of the ticket at the maximum rate which the Company allows to Government. The same amount should be paid to probationers whose passages are booked to Marseilles only.

Allowance admissible to probationers of the Imperial Services who travel overland from Marseilles to London.

I am directed to refer to the Home Department letter No.F. 260/30-Ests., dated the 10th September, 1930, regarding the allowance admissible to Indian Civil Service probationers who travel overland from Marseilles to London and to say that with a

view to making the treatment of probationers for all the Imperial Services uniform in this respect, the Government of India have decided that the orders contained therein shall be applicable to candidates selected for the other Imperial Services as well who proceed to the United Kingdom for a period of probation before final appointment.

2. These orders supersede the orders communicated in the Home Department letter No. D.370-Ests., dated the 8th February, 1923.
